Machine Serial Number			
Machine Make & Model			
Dealer Name		Salesperson	
Customer (End-User)			
Phone			
Email address			
Physical address			
Verify that the tractor meets the correct specifications for this machine, as outlined in the machine's operator's manual.			
Tractor Make & Model		HP	

I hereby acknowledge the following:	**(Mark with X where N/A)**	Dealer	End-User
The machine has been delivered in full, with no shortages or damages.			
All pre-delivery requirements, as outlined in the operator's manual, have been met.			
All bolts and nuts have been properly tightened.			
All safety guards and warning signs are securely in place, positioned correctly, and comply with the requirements outlined in the operator's manual.			
The hydraulics are properly connected and functioning according to the specifications required to operate the machine, as outlined in the operator's manual.			
The electrical cables are properly connected and supplying a stable 12V power.			
ISOBUS is active and connected to the tractor terminal, with the necessary unlock licenses (terminal licenses are purchased separately, based on the manufacturer).			
The PTO drive shaft has been properly installed, lubricated, and, if needed, shortened to the correct length for safe machine operation.			
The wheels/tires are properly fitted, and the pressure is set according to the operator's manual.			
The belts/chains have been properly tensioned.			
The operator's manual has been provided, reviewed, and understood to ensure the safe and optimal use of the machine.			
The maintenance schedule has been reviewed and understood.			
The manufacturer's warranty terms and conditions have been explained and acknowledged.			

Comments

The dealer must upload this form, along with photos of the machine, to the Dealer Portal within 10 days to register the machine warranty.
